

# PECB Certified ISO/IEC 27001 Lead Auditor eLearning Training Course

Master audit techniques and become competent to manage an audit program, audit team, communicate with customers, and resolve conflicts

As the world is moving faster than ever, technological developments have rapidly evolved and are redefining, among others, the way we live, learn, and teach. This expansive nature of the internet and technology demand new ways of adapting to this new virtual environment for all of us. As such, the use of new and more efficient instruments for delivering knowledge is continuing to grow across a broad range of industries. This way, eLearning has become the tool of choice for learning and teaching worldwide.

That is why we have developed the ISO/IEC 27001 Lead Auditor training course in the eLearning format; for you to develop the necessary skills and knowledge to perform Information Security Management System (ISMS) audits by applying widely recognized audit principles, procedures, and techniques, from the comfort of your home.

Here are the trainers that deliver the ISO/IEC 27001  
Lead Auditor eLearning training course:

## Meet the Trainers

Our eLearning training courses have been catered to meet each individual's needs and have been designed with the aim of transcending spatial and temporal restrictions. Each eLearning training course is delivered by several experienced Trainers from all around the world, and is divided into several video sections and subsections. Videos last no longer than 20 minutes and contain animations to support what the trainer is lecturing — the animations correspond to the sections provided in Microsoft PowerPoint in the traditional mode of training. To keep our candidates engaged, we have incorporated quizzes into our eLearning training courses.

# How does the ISO/IEC 27001 Lead Auditor eLearning experience look like?

Our ISO/IEC 27001 Lead Auditor eLearning training course is delivered on the KATE app. Once logged on using your PECB account, you will be able to browse through the sections of the training course.

In addition to having the training course content in video format, you will also be able to access the regular training course materials format structured in different training course days with the additional files available in an editable format (depending on the training course, the case study, exercises, and exercises correction key files will also be available).

In addition to the lectures and the training course materials, quizzes have been incorporated into the KATE app. to ensure that our training courses are as interactive as possible.

- ✓ Take the training course
- ✓ Access the materials on KATE
- ✓ Enter the exam at your most convenient date, time, and location via PECB Exams

# How can you benefit from the PECB eLearning experience?

Our eLearning training courses have been designed to meet the needs of diverse learners who have different learning preferences and/or limited time to attend a training course session.

Here are some of the main benefits of the PECB eLearning experience:

- ✓ The fact that the entire training course and examination is carried out electronically (hence the “e” in eLearning) means that all you need in order to access these training courses is a device (e.g., computer, tablet, smartphone), working internet access to connect the device to, and the KATE application.
- ✓ Having access to the training courses 24/7 enables you to dictate the pace of your study. You do not have to worry about schedules, traveling, and accommodation, or having to take days off from work.
- ✓ The unlimited access allows you to go back to any section of the training course as you need them.
- ✓ Every training course consists of several video sections that take no longer than 20 minutes to watch. This was done with the sole purpose of making the information easy to receive and process; think of the podcasts that we listen to while commuting, for instance.

Simply put, the eLearning training courses are a convenient way to effectively enhance your professional skills.
